

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

(For report cards disseminated electronically, this information may be provided in a separate document due to differences in the software used. If you are unable to locate this document, please contact your local school or district office.)

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

Areas of Success:

- Continued development of the Reading Counts Program that reinforces the importance of reading fluency.
- Addition of a social worker for 2 days/week to serve the needs of our students
- Various Character Education activities that promotes good citizenship.
- Supportive Parent/Teacher Organization
- Implementation of in small group differentiated instruction.
- Full time ELL instruction and curriculum development.
- Continued development of an ESL informational night to assist our Hispanic community with our school culture.
- Design and implementation of our RtI pilot program.
- Development of our Literacy Lab for curriculum enrichment and remediation.

Areas of Planned Improvement:

- Analyze ISAT scores and Think Link Data to determine areas of instructional improvement.
- Review current pedagogy that is effective in supporting our reading program using cross curricular materials.
- Provide professional development for the staff in areas of deficiencies as indicated in our school improvement plan.
- Develop multiple interventions that address the needs of our struggling students and progress monitoring tools that will assist in the evaluation of their success.
