Dear Parent/Guardian:

Help your child succeed in school – sign up for free tutoring! As a result of the federal No Child Left Behind Act of 2001, your child can receive extra help in approved subjects. You can receive this free tutoring because Kreitner Elementary School has not made adequate yearly progress on state tests for at least three years and your family meets the income limits under the law.

You can choose a free tutoring program that is best for your child. A list of approved tutoring programs in your area is enclosed. These programs have been approved by the Illinois State Board of Education and will provide your child with tutoring that is coordinated with what is being taught in school.

When deciding which tutoring program is best for your child, you may want to consider these questions:

- ❖ When and where will the tutoring take place (at school, community center)?
- ❖ How often and for how many hours in total will your child be tutored?
- ❖ What programs, by grade levels and subject areas, are available for your child?
- ❖ What type of instruction will the tutor use (small group, one-on-one, or the computer)?
- ❖ What are the tutor's qualifications?
- ❖ Can the tutor help if you child has disabilities or is learning English?
- ❖ Is transportation available to and from where the tutoring will take place?

If more students request tutoring than can be served through available funding, priority will be given to low-performing students as determined by the district.

Please call me, Julie Brown, 346-6350, if you have any questions about these services. Please complete the selection form and return to school with your child or in the stamped envelope we have provided. Applications are due back by October 12, 2010. You will receive a letter from me by November 1, 2010 telling you when the free tutoring will start.

Thank you,

Julie M. Brown
