

Kreitner School SES

2010-2011 School Year

Kreitner School had 265 students eligible for Supplemental Educational Services for the 2010-2011 school year. Of those 265 students, 18 indicated that they would like services. Of the 18, currently none are receiving services. Due to the low numbers selected to work with each provider, many of the providers have withdrawn from working with our district. The District is currently working on a contract with 2 of the providers. Another letter will be going home to parents as well.
