SPECIAL QUICK REQUEST:

Please pass this information on to your friends!! We hope you can attend the reunion and look forward to seeing you! We need everyone to sign up through Facebook so we have one complete master list. Word of mouth is the best form of connecting, so talk about the reunion whenever you're out and about..... Email all your High School friends and the word will spread like wild fire. The more we have in attendance the better the reunion will be for all of us and planning the next reunion will be a piece of cake....We want our High School Class to be looking forward to the 30th Collinsville High School Class Reunion and that will happen with your help.....

"LIFE IS SO SHORT and WE SHOULD LIVE IN THE NOW" Reunions can be a night to share, reflect and most important catch up with old friends you have not seen in many years or friends that you see every weekend.....Let's make this a night to remember for all of us in attendance and make those who miss it want to come to the next reunion.....All of your ideas to plan this reunion are more than welcome.....use Facebook to tell us what you want to see at YOUR reunion this year.....Thanks.....
