

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

(For report cards disseminated electronically, this information may be provided in a separate document due to differences in the software used. If you are unable to locate this document, please contact your local school or district office.)

Caseyville Elementary School Staff continues to implement Professional Learning Communities (PLC). Parent involvement activities included Book Fair and Family Reading Night. The school's vision, mission, and commitment statements are posted on the school's web page, and the school brochure continues to be updated.

We continue to dedicate ourselves to improving test scores of our students on the Illinois Standards Achievement Test (ISAT) in language arts and mathematics by expanding instructional strategies and assessment methods used within the school.

To achieve these academic goals, the staff will:

- Attend seminars and workshops and/or take graduate level courses to become more aware of new and innovative methods/strategies.
- Continue to use engaged learning.
- Continue to use grade level computer software in the classrooms.
- Continue to implement a computer based reading program to increase recreational reading by all students.
- Continue to implement Houghton Mifflin Language Arts Curriculum/Series
- Continue to implement all components of the Everyday Math Series

To improve communication between home and school and to gain participation in this process, the following strategies will continue to be used:

- Most communication between home and school being sent home on Fridays.
- Programs, such as Goodies for Grandparents, Family Math and Art Night, and Family Reading night
- Calendar of Events/Newsletter sent home at the beginning of each month.
- Use of SchoolReach (automated phone system)
- Incorporation of Character Plus components
- Spanish translation included on/with all school-wide communication

These goals and strategies will appropriately and effectively address the main needs of our students and school community.
