CHS – DEMANDMENTS

1. You give me more than I expect, and I will give you more than you expect. In the game of life, think of raising the stakes if you want to win big.
2. Don't do anything here that hurts your self respect. You have to live with yourself. Being a good kid will never go out of style.
3. Be your own person - do what is right, not what the crowd thinks. People with right on their side can be a majority of one.
4. Be happy. Get involved with school activities - CHS has plenty for everyone. These are the years you will remember. Generate some good times.
5. Don't let your parents down. They want only the best for you. Chances are, any time you let them down you are putting yourself down. Never do that.
6. Be humble. Learning how to take orders is the best preparation for giving them.
7. Choose your friends and companions with care. Your friends should bring out the best in you. If they don't, shop around - there are people who will.
8. Trust people. If you have chosen your friends wisely, you can trust them with your life, not to mention your secret fears and aspirations. If you really trust someone, make him or her your friend.
9. Stand for something. If not, you'll fall for anything and everything. If you don't feel strongly about anything, it is time for some serious soul searching.
