LET'S GO BLAZERS!

Dear Families,

The holiday season is upon us, and our students are continuing to learn and grow as we make our way towards winter break. The monthly newsletter is one of the ways in which we communicate the efforts in developing CMS students both academically and emotionally through our instructional and academic programs. We have an amazing group of students and teachers at Collinsville Middle School, and we are working together each day to grow and improve. As such, I would like to draw your attention to yearly traditions that highlights different parts of our school.

In December, we focus on the spirit of giving and service with an annual fundraiser conducted by our very own Physical Education Department. Our P.E. teachers host a "Money Wars" competition between classes in order to raise money for needy families during the holiday season. Your child can bring \$1 each day to P.E. As an incentive, students who donate will not have to dress out for P.E. on that day! They will still be active in the class that day, and participate in the lesson. We are hopeful that with the generosity of our students and families, we can equal or even surpass our previous mark of \$3,000.00. It is our hope this year to help numerous local families in need.

In closing, we will have no school on December 24 - January 2. School resumes on January 3, 2019. Our 2nd quarter will end on December 21, and we will have grades posted to Skyward shortly after that time. If you do not receive your child's grades by January 3, please contact our office. On behalf of our staff, we hope you have a great winter break with your children, family and friends. We look forward to continuing to work together as a team with you to provide your child with the best educational experience here at Collinsville Middle School. There is no greater gift than to have a positive impact on a child's life. This holiday season, I'm reminded how fortunate we all are with the opportunity to share in this gift.

Respectfully,

Dr. Jackson

Community Service

The National Junior Honor Society at CMS just finished their November Group Service Project! The NJHS recently visited Kreitner Elementary School to read and do activities with younger students. Every teacher at Kreitner Elementary was impressed and agreed that they would like to have our NJHS members in their classrooms again in the future!

Ms. Hamilton's Life Skills Class Learns about Community Helpers!

Ms. Hamilton's Life Skills class recently went on a field trip to the Collinsville Police station and Fire Department. The class also had a wet and wild time learning about farmers at the Millstadt Family Fun Farm. The class also got a visit from Esther the Comfort Dog and are expecting a visit from Humane Society! Ms. Hamilton's students would also like to thank their families for attending their 1st Annual Thanksgiving Luncheon. It was a huge success! As they move into December, they will be doing a lot of crafting and cooking for the holidays.
