Collinsville Unit #10 School District Community Meeting Notice

On April 9th, at 6:00 p.m. at the Collinsville Public Library (408 W. Main Street, Collinsville), Superintendent Robert Green will present a short program on school district facilities, focusing on the problem of bussing over 300 students out of their home school district. On behalf of the School Board, he will outline the problem and offer possible solutions. If you would like to provide your input on the future of our community's schools, please join Dr. Green on the 9th at the Library.
