Due to the strong partnership with the Collinsville Community School District we are able to offer part of this program at a discounted rate with the assistance from school staff. Thanks to the Village of Maryville and Collinsville Township for providing space to allow us to host this program. During these unprecedented times, our local communities, area leaders and the school district in their community collaborations allowing us to reach more students and families. THANK YOU!

Our primary focus will be dedicated to students’ remote learning activities, but will also include STEAM experiences, creative arts, physical activity, literacy, and social emotional learning. Students will need to bring their own laptop or tablet and we will provide secure wifi.

---

**HEALTH AND SAFETY GUIDELINES**

Safety is our top priority. To maintain a healthy and safe environment, all participants and staff will be required to adhere to strict health and safety guidelines, including:

- Daily health screenings and temperature checks
- Mask requirements
- Smaller group sizes to ensure social distancing
- Increased surface sanitizing and frequent hand washing

---

**Financial Assistance is available.** At the YMCA, no one is turned away due to the inability to pay. Financial assistance is available for those who qualify. Download an application at gwymca.org/financialassistance.
