Kahok Families:

Please take a few minutes to give your feedback by taking our survey to gain insight into how students and families are faring with Hybrid/Blended and Remote Learning so far in the 2020-21 school year. The survey should take you less than 10 minutes to complete.

Your input is valuable as we consider tweaks, changes and the next steps in how we meet the academic, social and emotional needs of our students as the school year continues. Please submit your completed survey by Friday, October 16, 2020.

Don't forget to wear your purple and show your Kahok pride!
