

The Honorable JB Pritzker  
% Office of the Governor  
207 State House  
Springfield, IL 62706

November 5, 2020,

Dear Governor Pritzker,

We as superintendents are calling on you to allow our students to participate in extracurricular activities and interscholastic competition. While each scenario is different, schools have shown that we are adaptable, vigilant, and accountable while keeping the health, safety, and well-being of our students as the highest priority. It is time to allow superintendents, athletic directors and coaches the opportunity to partner with IDPH to provide interscholastic competition in a safe environment. Our students are our top priority and nobody will take better care of them than our schools and the educators who have dedicated their lives to them. Our students will benefit immensely from the unrepeatable experiences. The physical, mental and academic well-being of our students are depending on us. Our students are depending on you.

Below you will find the signatures of school district superintendents throughout the state in support of this request and the number of students each school district serves. Collectively, we represent over 200,000 students in grades K-12 throughout the state of Illinois.

<u>Superintendent</u>	<u>School District</u>	<u>Student Population</u>
<i>Tammy McCoolum</i>	Akin CCSD 91	91
