Kahok Families:

As promised in last week's communication, here is the new version of the district's Return to Learn Plan. It has been revised to reflect the latest guidance from the Illinois Department of Public Health (IDPH) and Illinois State Board of Education (ISBE). The updated content is highlighted in purple.

Our district's Test to Stay program remains paused until February 7, 2022 while we implement changes based on current public health recommendations. You will receive information about this in the coming days.

We are grateful to have teachers and students back in our classrooms. On behalf of our entire school district, thank you for your constant dedication to our students. Don't forget to wear your purple and show your Kahok Pride!

Sincerely,

Mark B. Skertich Ed.D.  
Superintendent
