

THE TRAILBLAZER

Collinsville Middle School's Newsletter

From the Principal's Desk

CMS Families,

The year is winding down and what a ride it has been. I would like to thank all of the parents and families who have worked so hard to make this year possible. Much of it has not been easy, but we have weathered the storm and are now at the end.

I am glad that we are ending this year in a format that is as close to normal as it is. Seeing students' faces in school is such a welcoming sight. It is a relief to see so few on our COVID lists.

Finally, being able to plan group activities has been great. As we move toward our final weeks, there will be a number of field trips and activities. We will also be posting the awards video later this month.

I hope everyone has a great summer and enjoys their break. We look forward to welcoming everyone back to school in August with an even greater return to normalcy.

Sincerely,

Mr. Snow
