We are excited to announce that Collinsville Unit 10 is continuing to partner with the St. Louis Area Foodbank to provide Mobile Food Markets for our Collinsville area families. This market is free of charge and though the available items rotate, often include dairy, meat, and fresh produce.

The events will be using a "drive through" model. You will drive through the line, pop your trunk, and we will have volunteers load the food items into your vehicle's trunk. You will not leave your vehicle. This is a first come, first served event with a capacity to serve around 150 families.
